MEMORANDUM FOR: Director of Scientific Intelligence

SUBJECT: Study of Air Control Procedures in  
Denied Territories

1. As part of the [redacted] development program, 25X1A  
we have a considerable interest in the methods and  
degree of control utilized by unfriendly powers in  
handling both civil and military aircraft within their  
borders.

25X1A 2. In pursuing this information, 25X1A  
[redacted] of my Intelligence Division  
25X1A plan to meet with [redacted] during the week  
of 7 May 1973 to make a preliminary survey of the  
information available. It would be very useful if  
one of your officers could also attend this meeting  
and later participate in the preparation of a joint  
study of selected countries.
